Urgent Message from Ditidaht Chief & Council

To All Ditidaht First Nation Membership living in Urban Communities,

We apologize for the delay to any and all concerns that members may have had regarding a distribution or help of any sort from our office. We are aware that this is a difficult time for everyone.

We have been working diligently to find the best way we can contribute to the membership during the Corona virus crisis that is affecting our membership living in urban cities and in the community of Malachan. The Community Services department and staff have been working on distributing food supplies in the community.

It has been decided by Chief and Council that we find the resources to help in any way that we can to help ease any worries. A **\$50 gift card** will be sent to each member per household to our Urban membership. And we are working on having a fish distribution in the near future.

Please watch for posts on the dates for fish distribution.

Thank you,

Elected Chief Councillor, Brian Tate

Council members, Anne Pettet, Kelly Sport, Paul Sieber and Darryl Tate
