School Assessment and Certification Process

Every 5 years Ditidaht Community Schools completes a certification and assessment process. This process is an opportunity to identify strengths of Ditidaht school, as well as areas for improvement. To learn more about this process, please attend the community information session at the school at 5:00pm on Monday October 21st

Reporting

During the week of October 21st - 24th, teachers will be phoning parents/guardians to provide a progress report. For parents/guardians who would like to meet in person and review student work, please call the school and schedule a time slot (between 3:15pm - 5:00pm) for Tuesday October 22nd.

Totem Pole Project

Students from Kindergarten - grade 12 will have the opportunity to participate in a totem pole carving and painting project with Moy Sutherland and John Marston. Students will help create two welcome poles for the community.

Job Posting:

We are hiring a part-time Language Technician at the Ditidaht Community School. (20 hrs/wk)
Duties: To support the growing Ditidaht Language & Culture department by performing web development and audio recording tasks. A key initiative for the department is to capture, preserve and share as much audio and video content from speakers as possible. Some of this work is already shared at www.learnditidaht.ca and in our Ditidaht Dictionary App. The successful applicant – with training and support from Ditidaht Community School and the Language and Culture Department– will build on this work and endeavour to make the Ditidaht/Pacheedaht language as accessible to band membership as possible. This is an entry-level position suited to someone willing to build skills in these areas. We are looking for a hard-working and creative self-starter. Preference will be given to candidates who are willing to learn the Ditidaht/Pacheedaht language and contribute to the project of language revitalization. Assets: Computer literacy, Proven communication skills.
