"Dear community members,

On Tuesday October 29th, 2019 from 1:00 to 2:30 pm, NTC Community Health Nurses Jodie and Marion will be providing Grade 6 and Grade 9 immunizations at the Ditidaht school.

If you are a parent, a caregiver or a foster parent, your verbal or written consent is needed for your children to receive immunizations.

If you haven't been in contact with one of the nurses yet, consent forms and vaccine details have been given to the principal and the teachers.

If you specifically do not want your child to receive their immunizations at this time, please contact Jodie at

jodie.dealmeida@nuuchahnulth.org or Marion at

marion.guiraud@nuuchahnulth.org so we can contact you at a later date.

Thank you. Jodie and Marion."

Thank you for your collaboration!

We'll see you on the 29th.
